Maxine,
It was good to chat with you all. Here are the comments we provided via email to MDNR on the monitoring network plan.

Mike,
Thanks again to you, Becky, and your colleagues for the very helpful meeting today. We appreciate the time you all spent with us, and your work on these important issues.
In addition, I'd be grateful if you could send me a copy of the letter you mentioned that the Region sent DNR regarding the monitoring network plan.
Best regards,

Maxine
